

**TRADITIONAL HAWAIIAN HALE BUILDING WORKSHOP**  
**Conducted by Traditional Hawaiian Hale Builder Unko Waltah**  
**Saturday, November 21, 2015**  
**9:00 A.M. to 1:00 P.M.**

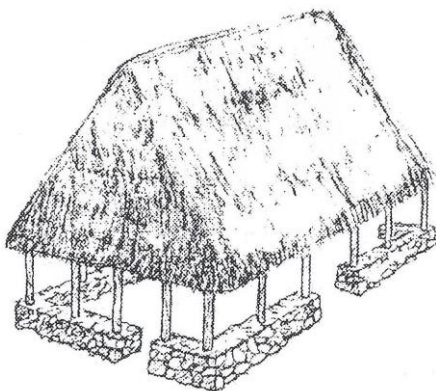

Please join us for a Traditional Hawaiian Hale Building Workshop. We will learn about this unique Hawaiian tradition and participate in the 6th workshop to construct the Hale Mala. The workshops help perpetuate the Hawaiian culture and teach the skills of building a structure out of materials from the 'āina.

**Where to Meet:** Pana'ewa Zoo Rainforest & Gardens (At Discovery Forest)  
800 Stainback Highway  
Hilo, HI 96720

RSVP by November 20<sup>th</sup> to [hfia@hawaiiforest.org](mailto:hfia@hawaiiforest.org) or by calling 808-933-9411

**Please wear closed toed shoes, sun screen, and bring rain gear and a water bottle (water provided).**

---

Hale Mala, the hale style selected for the Pan'aewa Zoo Discovery Forest.

October 3<sup>rd</sup> Hale Building Workshop volunteers.
